Education

Data Engineering and Analysis, BSc
Warsaw University of Technology
Faculty of Mathematics and Information Science
2021 - Present

Skills

- Machine Learning
- Data Visualization
- Relational Databases
- Data Structures and Algorithms
- Theory of Probability and Statistics
- Web Development

Tools

- Python
- R
- Java
- SQL
- Matlab
- HTML + CSS
- Git
- MS Office

Languages

- Polish - Native
- English - C1
- Spanish - A2

About Me

As a data science student, I'm a fast learner who's open to new experiences and technologies. I'm responsible, scrupulous and enjoy working both alone and in teams. I am motivated, looking to learn and grow my skill set. I am good in critical and analytical thinking. I am interested in freeride mountain biking, football and I am a car enthusiast.

Experience

Bestscreenings | Cinema Technician
August 2021 – Present

Key responsibilities:
- Technical support
- Setting up equipment
- Troubleshooting technical issues
- Managing inventory
- Communicating with event organizers
- Interacting with event attendees

Archivald | Archivist
September 2021 – November 2021

Key responsibilities:
- Completing and classifying documents
- Digitization of archival materials

Projects
